WHERE IT'S AT

Mayfair Male 4

If you want to read about lots of 'how's your father?', 'nooky', 'shufty', 'porking', 'nobbing' and 'rutting' that other people (claim to) have been up to, turn here and lap it up!

Extreme Sports 12

Badminton is just too girly, Volleyball too American and Tennis too posh. What is just right, though, is this ancient sport of kicking a lump of weed over a net. It's dangerous, fast, and it's about to invade these shores!

Lush Strokes 20

Julie Bell is an artist with rich talents, and her fantasy paintings are simply awesome, amazing, wicked, fab, and very nice indeed. In fact, we're just going to shut the fuck up and let you sample her goods for yourself.

Decades of Decadence 30

We may have cars, we may have big tellies, we may have fast food, but what this day and age is sorely lacking is lots of very polite, slightly rude magazines. We used to be one years ago as this lovely history lesson shows.

Pick-A-Chick Results! 39

A few issues back we asked for your help in selecting six *Mayfair* models from 12 hopeful applicants. We received sackfuls of votes, and the time has come to announce the winners. So, Chicks - step forward!

Scene From Mayfair 52

A lot of people watch the news and think, 'why isn't the news ever happy?' Well *Scene* is a great big happy news carnival here to brighten up your day – and give you something to look at between wanking.

Celebrity Sizzlers 62

When women become famous they seem to become far more sexy for some reason. Is it the money, is it the success, or is it because they do loads of nude scenes in Hollywood films? Hmm, we wonder...

See Us On The Net 64

Now Sarah is a woman. Oh yeah, she's all woman, and here she is in a *Mayfair* shoot. But wait – there's more! If you have access to the Internet you can see her strip her clothes off in a movie! On your computer!

Quest 90

Sex, sex, sex, and more sex. That's what sex mags like ours deliver every month. Oddly enough, it's not just men who like to flick through our sizzling pages, there are some ladies who like it too – like this saucy lot!

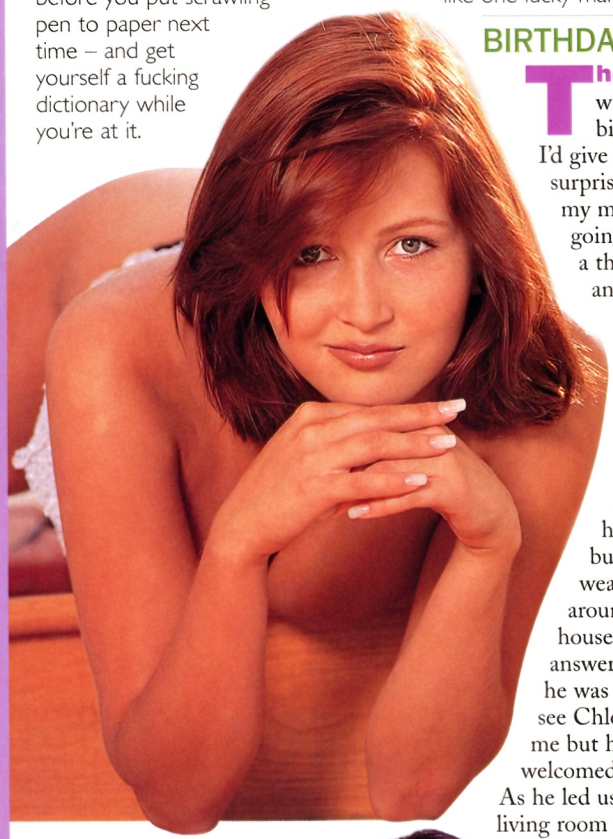
A RIGHT CHARLIE

I must complain about your awful *Mayfair* magazine. Thiers nae gorgeous girlies in this magazine and if I'm tae keep forking out for *Mayfair* I'd want tae see Charlie Maloney cause she is absolutly gorgeous whith a real sexy bum.
Richard Walker, Notts
Funnily enough, Richard, not every woman wants to appear naked in a magazine. Have a think about that before you put scrawling pen to paper next time – and get yourself a fucking dictionary while you're at it.

MILA IN ONE

Gorgeous redhead Mila from 34/02 is perfect – she starts fully dressed, strips down to her pants and bra, takes them off and sits with her legs apart smiling at the camera. In fact, she reminds me of my secretary.
James, Herts
We don't know what job you do, sir, but you sound like one lucky man!

"Sorry if I embarrassed you, but it's a quicker way of getting signatures than explaining our petition!"



KIND OF REGARDS

Please pass my admiration on to Tracey (34/3). I have had many wanks over her pictures. Thanks for that, Tracey. How was it for you?
Nelson, Winchester
And just when we thought there weren't any gentlemen left in the world anymore.

Nelson liked Tracey's shots so much he wanked his cock!

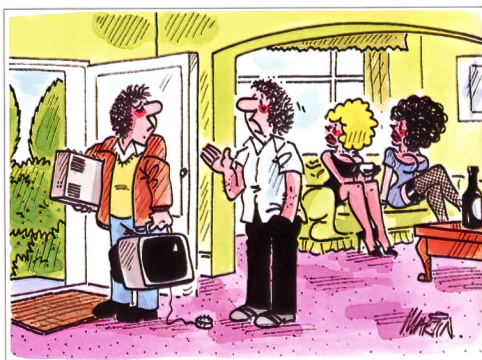
BIRTHDAY PRESENCE

The other week it was my boyfriend's birthday and I thought I'd give him a special sexy surprise. For a while now my mate Chloe has been going on about having a threesome with John and so when his birthday I arrived I decided to take her up on the offer. We both wore tight fitting mini-dresses, stockings and suspenders and shiny high-heels, but no under-wear. We went around to John's house and when he answered the door he was surprised to see Chloe along with me but he gladly welcomed us inside. As he led us into the living room we could see his cock getting hard through his tight jeans.

"Happy birthday, John," I said with a wide grin on my face as I moved up close to him and began to rub my hand over the huge bulge in his jeans, while Chloe lifted off his shirt and ran her hands over his body. We went through to the bedroom and sat John down on the bed where Chloe and I pulled off his trousers and pants, freeing his big hard cock. John watched as Chloe and I slipped out of our little dresses, revealing our firm tits and freshly shaven pink pussies. We ran our hands over each other's bodies and squeezed and fondled each other's boobs. I sighed in delight as Chloe cupped my breasts in her hands and licked and sucked my hard pink nipples. Next we slipped a hand between each other's legs and fingered each other's hot holes. We moaned in pleasure as we finger-fucked each other to a loud and sticky climax while John wanked his stiff prick as he watched our lezzie show. Naked except for our stockings, suspenders and high heels we knelt in front of John and began to wank and lick his big juicy cock. Chloe ran her tongue over his balls while I licked away at the head of his cock, dragging my tongue up and down the length of his shaft, deep-throating him greedily.

"Don't let him come just yet, Claire," said Chloe, "I want his hot spunk up my pussy," she added. I withdrew his cock from my mouth and John lay back on the bed.

"Okay, Chloe," I said, "take him up you. Ride his cock." Chloe knelt astride John's thighs and rubbed her hot wet pussy lips over the tip of his thick shaft. As Chloe lowered her pussy down I held up John's big hard cock which was glistening with sticky pre-come and saliva, and guided it up Chloe's juicy vagina. It was fascinating seeing John's fat dick stretching another girl's tight pussy wide open. As Chloe happily bounced up and down on John's



"Brian, I don't think you've quite grasped the idea of wife-swapping!"

hard cock I couldn't help but feel a tinge of envy, wishing it was me riding his prick. In the meantime I straddled John's face and lowered my cunt onto his mouth while rubbing my clit.

"Lick me out, John," I begged, writhing around as he slipped his tongue in and out of my pussy. John soon brought me to a noisy orgasm and a second later I saw John tense, and a load of spunk burst up and then out of Chloe's cunt. When Chloe got up I saw his spunk trickle out from between her pussy lips, and I immediately got busy licking the remains of come from off John's cock-end. When I'd lapped up all the jism I could find I sucked and wanked his cock back to hardness.

"My turn now," I grinned as I got on all-fours on the bed, pushing my firm bum up into the air. I jiggled as he knelt behind me and nudged the tip of his rock-hard tool against the wet lips of my pink pleasure hole, and as he did so he

> She rubbed her hot wet pussy lips over the tip of his shaft

couldn't resist spreading the cheeks of my bum and fingering my small arsehole. He was soon fucking my cunt with long deep strokes, stroking my clit while he upped the pace. When he finally came, a small amount of semen jetted up my twat.

The three of us took a shower together, with Chloe and I soaping each other's fannies, relaxing until we all had enough energy for one final fuck session. I'm sure John enjoyed his birthday present and now he wants Chloe and I to go to a sex party at his house. Let's just say that I'm more than happy to accept!

Clare, Glasgow

Birthdays can be great. But your boyfriend's was obviously fucking electric!

BIRTHDAY PRESENCE, THE SEQUEL

I'd always fancied my flatmate's girlfriend, Julia, but never did anything about it beyond some friendly flirting which neither of them seemed to mind.

On the morning of my birthday, I was having a lie in as I'd taken the day off. Half asleep, I heard a knock at my door. It was my flatmate and he told me to go through to his room where there was a surprise waiting for me.

When I walked in, I saw Julia on all-fours, wearing just a pair of plain white knickers and little white ankle socks. My mate had seen me letching over enough tennis players to know I had a real fetish for this kind of thing. He also knew that my favourite sex position was doggy-style.

"Okay, I'm off to work," he said. "I'll just leave you two to it."

Once I'd got my head around what was happening, I began playing with Julia's arse through her knickers. I had all day so I wasn't going to rush it. I stroked her cheeks, feeling how firm and fleshy they were through the soft white fabric. Julia wiggled her bum, obviously impatient for me to do more, so I spread her cheeks wide with one hand and gave her pussy a rub, pressing and moulding her white cotton gusset to her moistening folds. Soon, she was so wet the fabric was soaked through with her juices, and I bowed my

Do you often loiter on your stairs nude, Liz?
Oddly enough, no. I'd have too many people hanging around outside looking at me if I did that! I've never been one to walk around nude. I like clothes.

You look pretty stunning here.
Thanks.

So why did you want to get into glam work?
The money and the whole fantasy thing. It's a weird thought knowing that my pictures might turn some men on. It's groovy.

TOO
RUDE!

Might turn some men on? We can guarantee they'll have men as hard as rocks!
Let's hope so.

So are you an attention seeker, then?
I don't think I am, not in my 'normal' life. This is just a laugh and something to look back on when I'm older. I can see myself being 70 and flicking through Mayfair going, "Ooh… I looked pretty good back then!"

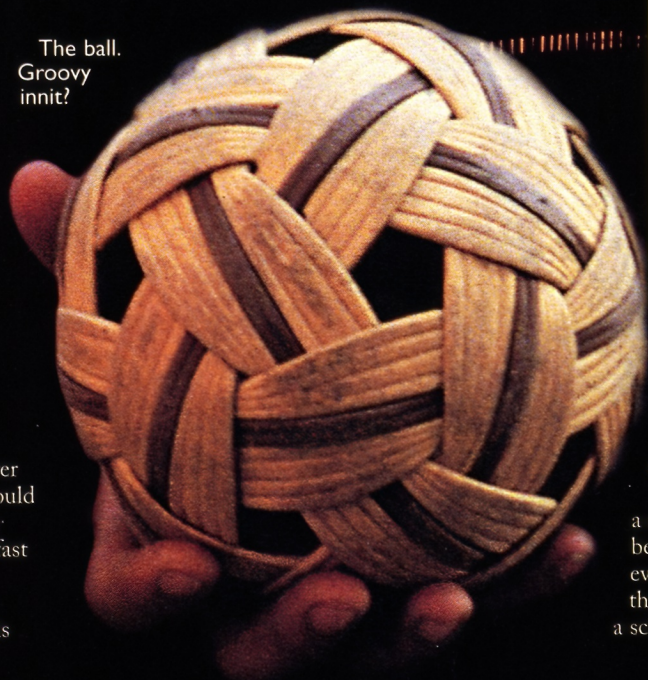
Rule One: ensure your balls don't touch the net.

PUT YOUR FEET UP!

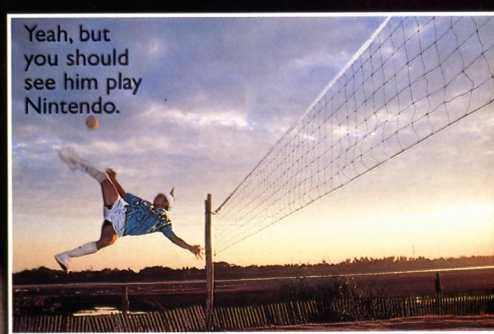
Avoid the net, that's it. Nice one. You're playing well, Chris Waddle...

Tear up your scarves, burn your team-coloured cuddly toy, take those stupid fucking 'I love this team' stickers off your car window and prepare for a good kicking...

Looks pretty, eh? Pretty fucking mad!



The ball. Groovy innit?



Yeah, but you should see him play Nintendo.

The fans call it the sport of the future, and claim it is the fastest game in the world. They may be right. Sepak Takraw is completely unknown in the West, and yet in Asia it is as popular as footy is over here. This, however, is what football should be about. No petty falling over, no lame booting the ball out of harm's way, but fast and frantic spectacular action. Sepak (Malayan for 'kick') Takraw (Thai for 'ratten', the plant out of which the ball is made) is at least 500 years old, with rules very similar to volleyball, except with competitors using their feet instead of their hands. The size of the court is the same as a badminton court, and to the uninitiated resembles a toned down kick-boxing match. A team consists of three people, called a regu, and in the capital of Laos there seem to be as many teams as there are locals. It is played everywhere. And while British football fans gasp their guts in delight when a player attempts a scissor-kick once every blue moon, Sepak Takraw

And the winners are, the ones who can walk!

has scissor-kicks flying off all over the place. Mid-air tackles by the net are equally as common, shielding their faces not from their opponent's feet but from the hard, platted ball that can explode around the court at ferocious speeds.

Although it is unknown this side of the sea, Sepak Takraw is destined for a TV near you soon as it has all the elements of ideal sports entertainment. It's not expensive, it's not complicated, it's multi-national and, let's face it, it's about time something came along to kick snooker's arse!

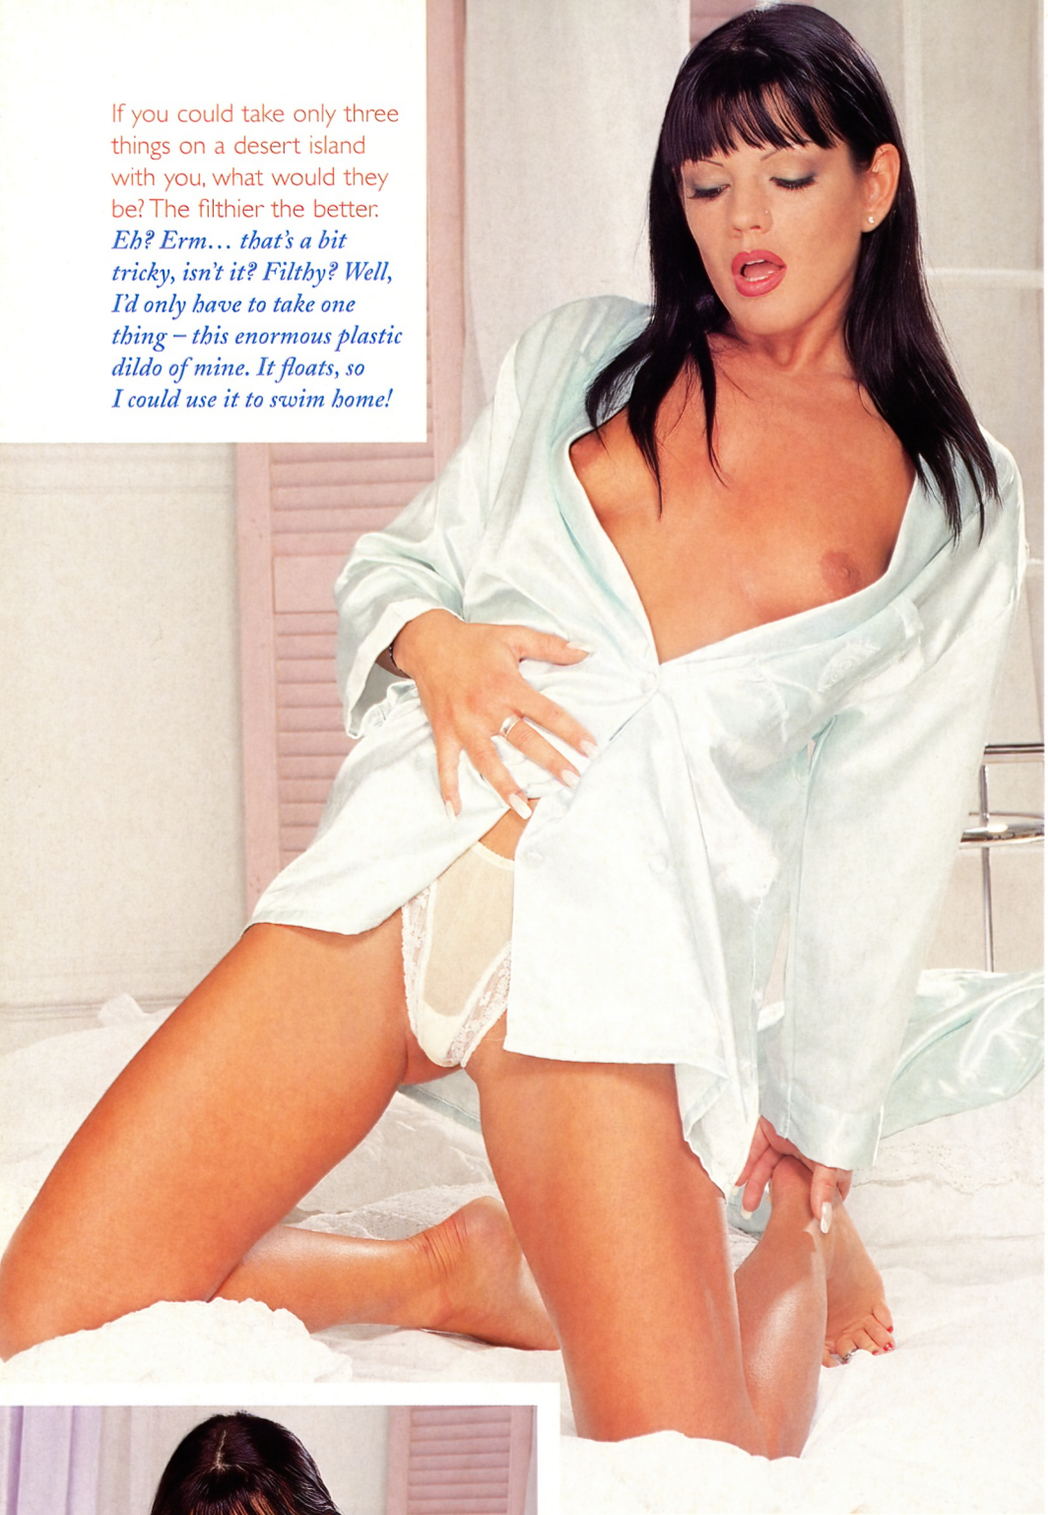
If you could take only three things on a desert island with you, what would they be? The filthier the better.

Eh? Erm… that's a bit tricky, isn't it? Filthy? Well, I'd only have to take one thing – this enormous plastic dildo of mine. It floats, so I could use it to swim home!



How did you discover it could float?

Don't ask. It's the only sex toy I own actually, although I don't use it. I find dildos comical, they're not sexy to me at all. Why bother going out and buying a substitute dick when a girl can easily go out and get the real thing at any pub in the country?

Are you one for the local then?
I like a pint now and then and pubs are always fun.

What's been your best one-night-stand pull at a pub?
I've twice pulled barmen and they were great.

They were really funny blokes and also very good looking. I wouldn't mind going for a drink now actually. Fancy a pint?

Lush

Julie Bell is one of the best fantasy artists in the land. Whether it's damsels in distress, damsels getting undressed, or damsels kicking somebody's ass, her paintings are striking and full of foxy fury . . .

STROKES

So us humans are often considered to be no better than animals, right? Well when was the last time a panda did some fucking painting, eh? Has a deer ever made a film? Has a book ever been written by a shrew? No, no, and once again no. Us humans may be a bit daft, but unlike animals which often just roll around in dust or sit for hours chewing a ball, we can make all sorts of imaginative stuff. Music, films, literature, theatre, pornography – we've got the arts sorted.

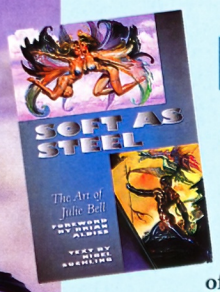
One of the most amazing talents to develop is art itself, taking a blank canvas and a few paints and creating something fantastic. Of course, there's a lot of art which is just plain god-awful, but recently we've been going, "Wow! Look at that!"

and, "Why don't we have any genuine talents?" when observing the superb fantasy artwork of the massively talented Julie Bell.

Texas-born Julie's latest book on the Paper Tiger label, *Soft As Steel*, is a collection of her wicked fantasy art, which ranges from her killer illustrations for Marvel and DC comics, her wild contributions to book, magazine and video game covers, through to her more personal work, including portraits and superb figure studies.

Obviously gifted beyond belief, you can tell by just glancing at this batch of beauties – taken from *Soft As Steel* – that Julie doesn't pussy around with bowls of fruit, vases of thistles and all the other sad toss we had to put up with during art classes. Instead, she lets her wicked imagination run wild by opting for gargantuan, well-jugged snake ladies, buxom sword-wielding heroines, massive barbarian chaps hacking up dragon-faced wizard blokes, and flame-haired, sexually-charged, man-eating temptresses walking through mighty explosions. Stuff like that.

Makes our stick men efforts look really rather shit all in all.



IT'S A STEEL!

Soft As Steel is 130 pages of gob-smacking art that'll have you cracking out that old pencil case of yours in order to draw something yourself. It's on the Paper Tiger label and in all decent bookshops for £14.99 now.

How are you enjoying the summer, Barbara?
I wish it was hotter, and I wish it was sunny every day. I like this time of year though, everybody seems much happier. You can see lots of couples wandering about, kissing in parks and stuff. It's nice when love is in the air.

Is there anybody special in your life at the moment?
There's nothing long term. I have an on-off relationship but it's nothing serious, just a bit of fun. But again, this time of year you just want to kick your shoes off and feel free. Winter is the time for heavy relationships.

Are you off on holiday?
I am, and I need a new bikini but I keep putting off buying one. I hate changing rooms. Hmm… maybe I'll go without one!

DECADES OF DECADENCE

Never liked history lessons? That's because you never got to look at **Mayfair**'s glorious past. Roll your sleeves up...

1969

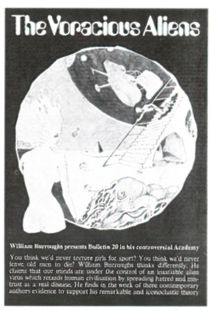
Volume 4 Number 8
Thirty Years Ago This Month
60s Chicks

Six shillings would have got you a top read with fine women 30 years back, as this classy edition likes to point out.

Best Girl
Amber's sleepy eyes could have hushed the most violent of men, and just check out that soft, rounded figure. Mamma, I feels like cooking!

Centre-fold
It had to be Amber. And it was! Must have graced the walls of many factories, this one.

Runners-up
Stephanie had a top pair... of glasses, ha, ha. She was all smiles, funny pants and, from a certain angle, looked like Monika from *Friends*. Then there was Jane with her nice boots and her nice ass. Little charmer.



Best Feature
A questionable look at the softcore films making their way into the daylight of the 1960s. Where are they now?

1979

Volume 14 Number 8
Twenty Years Ago This Month
70s Glamour

The 70s were a fun time. At least they were if this rudey issue was anything to go by.

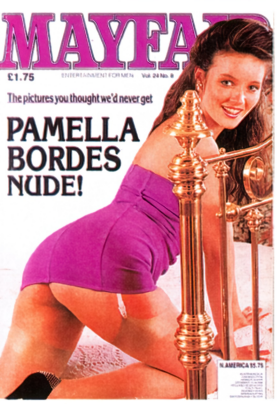
Best Girl
Katrina was a top, topless beach babe. If only you really could find stuff on the beach like this, opposed to old sticks, glass and dog shit.

RANDOM QUOTE
"You've got five seconds to decide whether or not you fancy Anne Nightingale"

Centre-fold
Curvy Georgina Wilson with a bit of product endorsement. Lovely hooters all the same.

Runners-up
Alison with a great hat and great nipples, Georgina looking peachy keen, the well-tanned Sue on a boat and the delicious Penny, who could get your cock to blow steam!

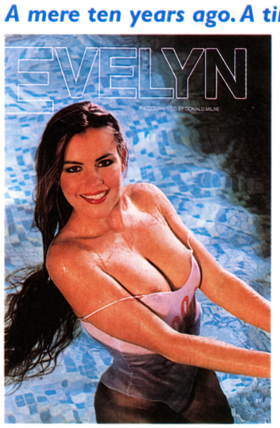
Best Pants Model Sandra's enormous white gusset beauties. As is often the case with pants – better off than on.



1989

Volume 24 Number 8
Ten Years Ago This Month
80s Energy

A mere ten years ago. A time of liberation, more nudity, and some hell-raising lipstick colours!



Runners-up Denise and her great white stockings, the cock-tastic Jenny who simply sizzled in the rain, and dune darling Eve. Nice bunch.

Best Girl Evelyn and her truly spectacular long hair. It floats, it waves around, and when she drapes it over her back she looks like a weird dog woman. Bark!

Best Dodgy Art
What on earth? A woman balanced on a skateboard and sort of bent at the hips. Nice boots all the same.

Best Pants
Wow! Eve's pants are so skimpy it looks like she's only wearing a gold chain! Oh, she is.

TAKE A STRIP WITH US DOWN MAMMARY LANE

Best Ad A pleasant picture of two men drinking scotch. Not very realistic, but pleasant all the same.

Best Pants While the woman's pants are certainly impressive, the fearsome coloured numbers worn by the bloke are prize-winners!

Best Dodgy Art An illustration for some dopey story was like a psychedelic pen's vomit. Well dodgy.

Obligatory Carrie Cartoon Volume 14 Number 8

Best Dodgy Art This picture of a big woman on a bike that went alongside a piece of filler fiction is really unsettling if you look at it long enough. You know, for about eleven hours.

Best Ad A good job this little number faded out. Half the work force would never have made it past their first tea-break. Hic!

Best Feature *The Bitch* was one memorable film if you were a young bloke who thought sex was just another word for kissing. This feature covered it in all its hairy, hilarious depth.

RANDOM QUOTE

"You don't need to understand what they're saying. You can see what they're doing."

Best Feature The fantasy feature 'bottoms up' went for a big novelty factor – naked girls in a bar sticking their arses out. Cheers, ladies.

Best Ad Something else hidden in a briefcase. Supposedly a spy-case, this came complete with… pen and calculator. Yeah, real 007!

Do you like horses then, Mel?
[Mel] No. Well I don't dislike horses, but I've never riden one or anything and I don't wish to.
[Sue] And I've never been a maid either, before you ask!
[Mel] You should be one. I was pleased with your service.

[Sue] Oh yeah? You've got a funny way of showing it.
[Mel] How do you mean?
[Sue] Where's my tip?
[Mel] Cheeky! I'll give you a tip.

Now, now ladies, let's not argue.
[Mel] Yeah, I'm the one with the whip remember.
[Sue] La, la, la. What are you going to do with it?
[Mel] I'll stick it where the sun doesn't shine, lover.
[Sue] Promises, promises.
[Mel] Don't test me, Sue. I'll have to bend you over my knee again.
[Sue] Like to see you try.

Oi, oi! Calm down.
[Mel] But I wanted to dress up as the maid.
[Sue] Well I got here first. Okay, you can be the maid if you want.
[Mel] Really?
[Sue] Sure. But first you have to strip the dress off me! With your teeth.
[Mel] No problem. Come here you!

YOU'VE PICKED THE CHICKS!

Three issues ago we gave you the chance to select six wanabee **Mayfair** models from a choice of twelve young hopefuls, and the votes flooded in. So, in reverse order, the winners are...

To appear in *Mayfair* you have to have the right look and the right attitude. It also helps if you're a stunning female. We get many requests from lots of willing women all eager to appear in the mag, but the only problem is we often can't decide between them all. A tricky task indeed. That's why, in *Mayfair* Volume 34 Issue 5, we thought we'd let you, the buying public, juggle the jiggles and sort out for yourselves which six out of twelve naughty contenders should get their own *Mayfair* photo-set, with the winner gracing the centre-fold spread – a most prestigious prize! And just so the girls didn't feel like they were spinning around in some uncontrollable totty lottery, we invited the winners to personally select the photos they wanted published for your delectation. Ain't that nice?

6th Place **Kati**

5th Place **Eva**

4th Place **Claire**

We were knocked off our fat feet with your entries, and painstakingly counted the scores for each chick out of the 1,917 ballot papers we received. It was a close thing to begin with, but as the votes rolled in Patsy and Rachel got away with a clear lead from the rest of the fruity pack, with the body-beautiful Pat just clinching it at the end. Thanks to all the girls who took part, and all of you who voted (although, inevitably, there were one or two who obviously didn't understand what numbers are), and commiserations to those lovelies who didn't quite make it into the top six.

Over the page and running in reverse order are the chicks that the majority of you lot picked. So sit back, relax, and let the ceremony begin...

SCENE From MAYFAIR

Come gather round, merry men, as the minstrel of news plays a merry tune for all to dance to. It's Scene from Mayfair, and it goes something like this...

JOY FOR JORDAN

When it came to handing out female bodies that would reduce men to quivering cock wrecks, ol' God did a fine job with top super-babe Jordan. The dainty model continues to reach new levels of success, and fans will be flipping themselves over the moon upon hearing that a video of the gal is now available. Out on the Playboy label and simply entitled *Jordan, Celebrity Special* this film treat sees the devilish little minx throw her clothes to the wind and her body at the camera, and when she's not making your eyes spring out she's sharing a few secrets in a one-to-one interview. If you're a fan, this is obviously your cup of tea, right up your street, and down your alley.

Available at all decent video-type outlets now, Jordan Celebrity Special is £14.99 while the DVD release is £15.99.

She strips, she pouts, she gets it all out, she does everything a man would want a girl to do. Give or take a few things.

REVENGE OF THE FUCK BOOKS

Just when we thought everybody in the world was bored out of their minds with the saturation of erotic literature, along comes another litter of porny book puppies eager for your attention. To summarise, *Shadow Lane* has a lot of spanking in it, *Souvenirs from a Boarding School* has a lot of spanking in it, *The Captive III* has a lot of spanking in it, and *Ironwood Revisited* is about a woman who makes cars for giants. No it's not, it's actually about spanking. There comes a point with these kinds of books when you can't tell one from the other, but if you can, all are available at adult bookshops on the Blue Moon label.

PICTURES: GORDON RONDELLE

THE MEYER OF LONDON

Best known (in fact, only known to our knowledge) as the man who made films of women with big breasts back in the sixties, Russ Meyer was recently in town to promote the relaunch of all his vids (they're being specially repackaged and stuff). He did this in the only way possible, by throwing a giant party, inviting the guests (the female ones at least) to wear as little possible. A host of celebs turned up to get in on the action, along with swarms of gorgeous girls who were looking all conservative one minute and then sticking their arses in the air the next. Here's a small sample of what went on...

THE KEY TO YOUR COCK

Love, eh? What's it all about? Where does it come from? In this instance, it comes from sculptor Naim Attallah in the shape of this penis novelty keyring, and is all about, "love being better than war and sex being all enduring". It's also pretty lucrative, because this solid sterling silver beauty is £69.99 plus £4.69 p+p. If you've got the money, and if you don't mind a heavy cock hanging off your car keys, you can make your order on: 0171 436 6500.

BOX OF THE BIZARRE
Freakiness From Fortean Times

FLIGHT OF FANCY

Texan John Elsworth proposed to his girlfriend Monika by tying a message to a homing pigeon. The bird ended up flying to the wrong address, the home of 22-year-old Rita Williams who received John's invitation and telephone number. They married soon after!

SUPERMARKET SWEEP

A woman at her local grocers in Rochdale pulled a toy handgun on a cashier and demanded, "Take my shopping home!" The cashier obliged and pushed the woman's shopping trolley back to her house thus ruining her ploy of getting away with the scam untraced.

SOMETHING MISSING?

A motorcyclist was knocked from his ride in the South of France and walked six miles, bruised and shocked, back to his house. Only when his mother removed his jacket did he realise his left arm had been severed at the elbow. The limb was found yards from the accident scene and was re-attached in a 12 hour operation.

DOG EAT... EVERYTHING

A dog called Charlie ate his way through three carpets, a concrete wall, a car seat, a car door, several table legs, dozens of shoes and a metal cage. Owners Sue and Nick Paulley of Bristol were forced to move house and find a new home. The thought of pulling his teeth out with pliers obviously didn't appeal.

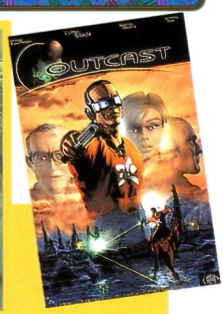
FORTEAN TIMES PROVIDE THIS EVERY MONTH AND A SECRET ELITE WILL BE AT THE PYRAMIDS ON NEW YEAR'S EVE TO TAKE PART IN A SATANIC RITUAL!

CHINA DOLL

"Cook tea yourself!"

Bash! Another body goes flying after being chopped and socked by Michelle Yeoh, the sassy kung fu queen who looks great and who fights like one of the greats. Over here she's known as the James Bond female counterpart in *Tomorrow Never Dies*, but in the East she's one of the biggest action film heroines. Out now is her fine ass-kicking adventure video *Project S* (aka *Police Story 4*) which sees the slinky star doing battle against a load of unfortunate stuntmen. Jackie Chan makes an appearance in drag too because, hey, that's comedy. *Project S* is out now for just under £15.

GET IT OUT



The game *Outcast* by Infogrames is apparently "the most spectacular PC-based strategic non-linear action adventure game ever". Ooh. We can't actually put this claim to the test because our PC is frankly awful, but judging from the shots we've seen it looks a bit of alright, mother. If it sounds like your ball of fun you can check it out for £39.99 coz *Outcast* is indeed out now.

MAYFAIR SCENE

From

Juliette Lewis

She seduced Robert De Niro at age 14, then blew us away in Natural Born Killers. Starlet Juliette Lewis sure has some questions to answer...

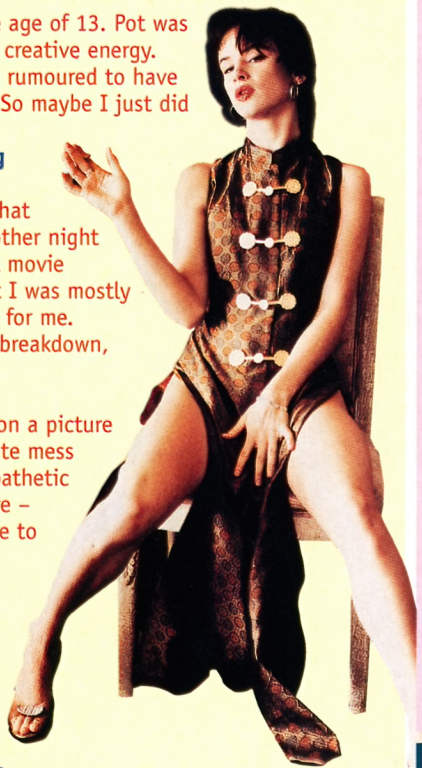
A QUESTIONABLE CHARACTER TELLS IT LIKE IT IS...

Q: You always seem to be cast as a murderous teenage nymphomaniac. How did you get into this?

A: Well, I just turned 26, which is a little too old for me to still be playing Lolitas. I guess you could say I got into it because I looked the part. I never looked like the kind of kid you saw in Disney movies! I was pretty advanced as a teenager. It started when I was 12 or something, when I first kissed a guy and saw the way the guy reacted, how he got really excited or whatever. I started to think even back then, "Jeez, is that something I'm able to do?"

Q: How many of those tabloid headlines about your drink and drugs addiction were true?

A: Most of them, probably. You know I always used to think I was in control, but looking back I can now see that so many of my younger acting experiences were tainted with sadness because of my personal dramas, which absorbed me more than filmmaking. Either I was in love and it wasn't working or I was in love and we were apart. Even at the age of 17, I was full of self-loathing, and who knows where the hell that comes from? I'd be sitting in a makeup chair contemplating suicide, and I can't blame Hollywood and all the so-called drug-using people on movie sets, because I was a pothead from the age of 13. Pot was my way of trying to sedate some of my creative energy. But you know the funny thing is, I was rumoured to have a drug problem even before I had one. So maybe I just did what was expected of me...



Q: How do you feel now about doing Natural Born Killers?

A: Not too good, actually. All I did in that movie was yell. I was watching it the other night and I'm like, "Shut up, you idiot!" That movie doesn't make me feel good. On that set I was mostly heartbroken, and things didn't improve for me. I knew I was heading for some kind of breakdown, and I was right...

Q: What happened?

A: Things pretty much came to a head on a picture called *The Evening Star*. I was a complete mess on the set of that movie. I was late, apathetic and miserable. If you watch that picture – which is something I've never been able to do – I'm sure you'll see that in some scenes my eyes are completely dead. I was at the end of my tether. All my pride was gone. I had become this little meek creature. I didn't want to act any more. I wanted to change my name and become a waitress."

Q: But now you're back making movies again after a two-year break. How did you get your act together?

A: With a lot of help from friends and family. I sold my house in Hollywood and moved out of LA to live with my parents. I went into detox and I discovered Scientology. It really brought me back from the edge and gave me back my self-esteem.

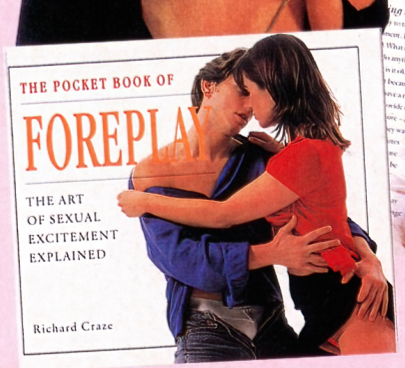
Q: So tell us about your comeback movie...

A: It's called *The Other Sister*, and it's the story of two mentally handicapped young adults who fall in love. Because my character of Carla was leaving an institution and entering the world again, her journey paralleled my own, and so I related to her more than any character that I've played. I've got a new attitude now. I'm off drugs, off drink, enjoying my work and actually looking forward to the future. It feels good.

POCKET FULL OF DYNAMITE

Sex is made out to be so complicated these days, anyone would think you need some sort of maths robot in order to understand what to do. Books come out like rashes every year promising to transform you into a cock-god, giving women so many orgasms thanks to your advanced sexual technique that they explode. And look – here comes another. *The Pocket Book of Foreplay* is five chapters all about getting your partner in the mood for action and covers all the usual ground – giving your lover sexy toys, talking dirty, licking and also odd stuff like having pillow fights. Of course, there's the obligatory collection of 'Lover's Guide' photos with beautiful couples' private parts slightly concealed by candlesticks, glasses of wine and so forth, but there's nothing here we haven't seen before. Having said that, any book featuring material we haven't seen before would undoubtedly be banned immediately, and *The Pocket Book...* does feature a fine piece of advice: "don't ever be tempted to blow air into a women's vagina."

So consider yourself told. *The Pocket Book Of Foreplay by Richard Craze is out now priced £5.99.*



"Hey, look! It says girls love ass sex!"

ATTENTION ALL VERONICA FANS!

A few months ago the majority of letters and calls we received all concerned one particular model – Veronica. Now, the majority of letters and calls we receive still concern Veronica, with readers' hearts broken now that she no longer models for us every month. Well don't throw yourself off a tower just yet, because (as it seems many people didn't actually read our retrospective last month) Vron *will* be making appearances in future issues. So please, keep your begging letters, complaints and death threats under your hats and keep your eyes peeled. She'll be back...

...AND YOU COULD LEAVE YOUR DOORS UNLOCKED

It was white knickers, curly hair and big grins in the good old days, at least if Nostalgia Books are anything to go by, and they've gone and done it again with yet another couple of neat hand-sized pamphlets full of saucy pics from way back yonder. *Stockings 5* includes a host of hilarious, sorry, very sexy pictures of women from the 1950s and 1960s as they lounge about in... stockings! Then there's Nostalgia's very own catalogue that is literally full of different products for you to splash out on. Stuff like posters, videos, signed photos; you can get them all here, and here is: Nostalgia, Room 0, 1 Victoria St, Nunnery Lane, York, YO2 1LZ.

Look at that! Shocking eh? You never see anything like these days! No, way, not on your nelly! Uh-uh! No siree... (look we're working up to a gag about that sofa, alright!)... never in your life! Shocking! And that's just the sofa, ha, ha!

Gone for good? Nope, she'll be back one day!

You're never a scientist.
I am.

Yah, rubbish. We don't believe you.
I don't care if you don't believe me, I am one so there.

So what sort of science?
I work for an environmental agency. I look after the Earth.

You're like a sexy mother nature.
You could say that, although I prefer hugging men to trees.

Do you 'experiment' in the bedroom?
I give different things a go. Depends on what equipment I have at the time. I like doing lots of research first. It's always good to get lots of information before you begin.

Eh? You've lost us.
Yeah, sorry. I got carried away. I was trying to say I watch porn vids before sex!

MAYFAIR MALE

head to eat her through her panties, tonguing and sucking her slit. The extra friction of the fabric brought her to the verge of coming quicker than I could have hoped, and as I tongued her hole, there was a sudden gush of tasty juices which I slurped into my mouth.

> "I ran my tongue up and down her neatly trimmed pussy lips"

Straight away, I pulled her knickers to one side and ran my tongue up and down her neatly trimmed pussy lips. Then I rammed it as deep as I could into her hole. She was so sensitive from her first orgasm that she was soon on the brink of coming again, but no matter how deep I licked her, or how hard she wriggled herself against my face, she never quite got there.

By now, my cock was aching so much I thought the slightest touch, even as I freed it from my boxer shorts, would have me shooting my wad, but I didn't come, not even when I played my cock up and down her slit. Julia was loving it, almost sobbing when I wet a finger and teased her little pink arsehole, and when I positioned my prick at her pussy opening she murmured, "No, don't fuck me there."

"D'you want it up the bum?" I asked her, probing inside it with the tip of my finger.

"Mmm…" she groaned.

"Sure?" I asked, sliding my finger all the way in.

"Yeah…" she said.

I lubricated my shaft with loads of her slippery juices, and it's hard to describe exactly how hot and tight and incredible her arsehole felt around it as I inched it in.

I pumped slowly in and out, letting her get used to the size of it stretching her arsehole, then I speeded up, fucking her with faster, shallower strokes.

Her unfilled pussy was leaking warm juices over my balls, and I suddenly felt them tighten up.

> "Her pussy was leaking warm juices over my balls"

I reached around to give her clitoris a tickle, gritting my teeth as I desperately tried to hold back from coming. At last, I felt an orgasm ripple through her body, and let myself go, shoving her arse hard cheeks together around my shaft as I emptied my balls into her.

We spent the entire day screwing, sucking and fucking, and then she told me we had the rest of the evening too, as my flatmate wasn't going to be back until late.

My only problem now is what the hell can I give him for *his* birthday?

P.B., Northampton

Tricky. Doesn't sound like Argos will have anything up his street.

VIDEO VIXENS

I live in a college hall of residence and one evening I watched a video to help with my course, and my friend, Helen, let me watch it on her player in her room while she was out. I ended up having a nose through her tape collection and found a porn tape. I got a bit absorbed in my viewing, and, yes, Helen walked in on me. She giggled and explained it was her boyfriend's tape, and we carried on watching it together.

After a while Helen said, "Got you wet between the legs, has it?"

"Let's see," I said, and stuck my hand down my knickers. My cunt was soaking wet, and I held my fingers up for Helen to see.

She grabbed my hand and sucked them clean. Next thing I knew her hands were on my tits, gently groping and squeezing, and I returned the favour. I gazed at the neat little bush she revealed as she stripped off a pair of sexy black knickers before I also undressed.

"Hold it! Go back to the part where you were having a quickie against the pub wall last night!"

Helen splayed her legs to reveal her juicy pink slit and a very engorged clitoris. I stuck my tongue out and flicked it. All I had to do was carry on sucking, as she ground herself against my face, her juices dribbling down my chin. I'd never thought that cunt juices might taste so good, and she was lapping mine up, too, sucking and slurping me to the brink of orgasm.

"Yeah, come for me," she murmured, sticking three-bunched up fingers into my hole.

I came so hard I almost bucked myself off

Celebrity Sizzlers!

Success can arrive in many forms — fame, wealth, and even stripping off in a muff mag like ours. Here's three celebs who have got the lot!

Two things make sexy Carmen so great, and here they are in a bra!

ELECTRA-FYING BAYWATCH BABE!

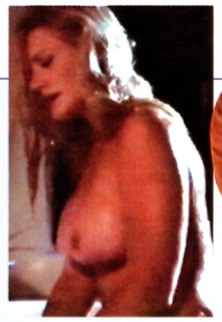
"I love being in front of a camera," admits the stunning **Carmen Electra**. "Singing, dancing or posing, it's all equally exciting, and equally sensual." The 36C-23-35 former centrefold knows all about sensuality, since she always puts her physical charms first. In fact, 26-year-old Carmen hit the big time after substituting for Pammy Anderson on *Baywatch*, and to ensure she made a highly dramatic impact in her role, the actress video-taped herself running down the beach in slow-motion. "I wanted to get the run perfect," she explained, "...so that my tits jiggled about even more than Yasmine Bleeth's!" Now that's what we call artistic dedication...

Carmen made number six in *FHM*'s '100 Sexiest Women In The World' list and, apart from her *Baywatch* duties, the busty Ms. Electra is also a presenter for MTV's *Singled Out* dating show and has just starred in her first feature film role, *Raven – The Chosen One*, where she plays a buxom *Xena*-type female warrior who fights evil in a mystical landscape.

"I get naked quite a lot in the movie," she says cheerfully, "but it's never really gratuitous."

With a body like Carmen's, how could it ever be?

"I get naked quite a lot, but it's never gratuitous."



If you're a fan of straight-to-video erotica then the chances are you're also a great admirer of Miss Shannon Tweed. This statuesque blonde stunner was recently described by *Cosmopolitan* as "The Marilyn Monroe of the cable T&A genre" for her prolific career playing countless nympho damsels in distress and sexed-up blonde bimbos. A foxy former Playmate, she hails from the Great White North and, like her fellow countrymen the Canadian Police, Shannon always gets her man.

TWEED THRILLER!

We're talking about in the movies of course, but it's likely Shannon's a pretty steamy sort in real life, too. Tweed has been associated with a number of high profile figures in her time, and more recently has been seen around Hollywood on the arm of Kiss frontman Gene Simmons.

Although she must now be close to forty, Tweed still looks breathtakingly sexy, tall and toned, with a magnificently shapely bum and firm, ample boobs.

In *Powerplay*, Shannon plays a murderous femme fatale in the sort of steamy project she literally invented, and years before Sharon Stone flashed her fur in *Basic Instinct*, Shannon was already turning a nice profit with her *Night Eyes* series. What's more, Tweed's curves make Stone look like a tomboy!

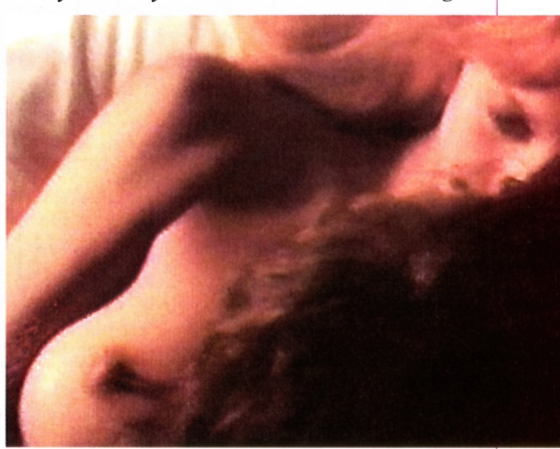
"Tweed still looks breathtakingly sexy, tall and toned, with a magnificently shapely bum and firm, ample boobs"

NOW SHOWING: RYAN'S PRIVATES!

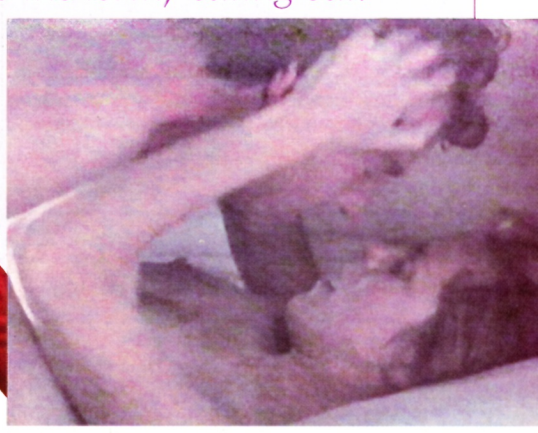
With diabetes-causing hits like *Sleepless In Seattle* and *You've Got Mail* to her credit, there's little doubt that the terminally cute Meg Ryan is the current queen of the big budget Hollywood romance. But though the blue-eyed blonde superstar's appeal is founded on a sickly wholesomeness that often makes Doris Day seem like a party slut by comparison, 38-year-old Meg can also be pretty raunchy when the occasion demands. After all, don't forget that she made it to the top on the strength of one very loud faked orgasm – in the now-famous restaurant scene in *When Harry Met Sally* – that gave a whole new meaning to the term, "eating out."

Nowadays the actress is so mega-famous that she has a "no-nudity" clause in her multi-million dollar movie contracts. But it seems to us that this is a bit like locking the door after the horse has bolted, because as our pictures show she's already given us teasing flashes in her movies like *The Doors* and *Flesh And Bone*.

The latter featured a steamy love scene between Ryan and hubby Dennis Quaid which allegedly went a lot further than the director intended. Lucky old Den, eh? Er… to paraphrase *When Harry Met Sally*, can we have what he's having?



"She gave a whole new meaning to the term, 'eating out.'"



Can You Tell Who It Is Yet?

She looks a bit like somebody, doesn't she? But you just can't tell who. The name is on the tip of your tongue. Could it be? Could it really be...?

Those long golden locks. Those big twinkling eyes. That pleasing big smile and that buxom inviting chest. You've seen this woman before, haven't you? Or have you? Yes, that's right, it's Melinda Messenger! No, hang on, it's not. Or is it? Arghh! Actually, saucy Sarah is a gorgeous glamour girl who bares more than a passing resemblance to former Page 3 missy and current TV chat show queen Melinda Messenger! In fact, Sarah is so similar in looks to bouncy Mel that when we received these pictures we nearly fell off our legs shrieking, "Look, it's Melinda Messenger without her clothes! You can see her smoo and everything! What a great time to be alive!" Of course, we soon saw the error of our ways, but if you log-on to the Internet at **www.sexclub.co.uk** you can see the lush look-a-like in her own mini-movie!

Hardly! It's my job! I make good money looking like her. Although I've never done anything as rude as this!

You must get loads of blokes.
I get my fair share, although I never try and trick people into thinking I am actually her. Besides, I'm hardly identical to Melinda so I couldn't get away with that one. I may look like her but I'm more than a copy-cat. See my film and find out!

QUEST

Now and again you can't beat a good quality toss mag – like us! Surprisingly, there are some ladies out there who even enjoy it. We asked four female Quest girls about their opinions of mags like ours . . .

Name:	Callie
Age:	25
Marital Status:	Single
Home Town:	Exeter

> "The most **enormous prick** I'd ever **taken penetrated my cunt**"

Do you use, or have you ever used adult magazines to enhance your sex life?

I do on a regular basis, since my boyfriend introduced me to them. Tom's always been really open about liking them, and though I wasn't keen on the idea at first I've come to accept it. But I didn't expect to get into them!

In what way do you use mags like us?

We read them together and we often act out things we've read in the letters pages. One mag sparked our fantasies about group sex and gave us a few tips on realising them. Tom knew his mate Jeff had always had a bit of a thing for me, so he invited him around to watch the footy. Later, when Tom went to the off license I came on to Jeff – a textbook copy of something I'd read in a mag. Tom got back as Jeff was sucking on one of my tits, as I straddled him on the sofa. I shifted position, so Tom could lift up my skirt and fuck me from behind – again, just like in the letter. Soon I had a cock at each end, and all I could think about was all the variations on threesomes I'd read about. I didn't let the boys get a wink of sleep all night!

> "A hot, **wet** shower of his **spunk exploded** over my **back**"

What is the most outrageous thing a mag has inspired you to do?

We once read something about a bloke going out and bringing home a stranger to screw his wife while she was blindfolded – a truly anonymous shag. The woman said she still got turned on by fantasising about who it might have been – she'd see a bloke in the street, and wonder if he'd really given her a knowing grin.

So what happened when you lived this out?

Tom told me to put on my sluttiest gear, without knickers, and wait until he came home. We he arrived he came upstairs and tied a black silk scarf around my eyes and I got on all fours.

It's hard to describe exactly how I felt as I waited for him to bring whoever he'd found upstairs. 'Massively horny' is quite good, though. My nipples were standing on end and I felt my cunt juices trickling down my inner thighs. Then I heard someone get in behind me. I heard a zip sliding down, then I felt a big cock being rubbed and pressed against my crease. I could also feel the guy was shaking with excitement, but he didn't have any trouble getting his cock inside me. As he thrust in I clenched my fanny around it but the girth of it stretched me wide open. As he fucked me I bit my lip, so my moans wouldn't drown out the sound of his grunts. I was desperate to know who he was, but I didn't have a clue. All I knew is it wasn't Tom. He was standing at the head of the bed wanking himself.

Suddenly, the bloke fucking me pulled out. He laid his prick along the crack of my arse and I felt him stroke the upper surface of it. Then a hot, wet shower of his spunk exploded out over my arched back.

Describe what happened next.

I heard my mystery lover leave the room, then Tom told me to get on my back with my legs spread and to keep the blindfold on. He dropped a quick kiss on my cunt, then went back downstairs. When he came back I felt whoever he had with him get in between my legs, and shove my thighs apart with their hands. Then two fingers splayed my hole wide open, before the most enormous prick I'd ever taken penetrated my cunt inch by inch.

After a few thrusts I started to get suspicious. This cock didn't feel like any I'd ever taken. Also, its owner was playing with my tits, giving them a good fondle and squeeze, and I'm sure I could feel long nails against my skin. I'm convinced it was a woman wearing a strap-on, but Tom still isn't telling!

> "I felt my **cunt juices** trickling down my **inner thighs**"

I knew Tom was close to coming, and he laid off wanking to give my clit a rub. I came almost instantaneously.

Any final words on mags like ours?

Just that *Mayfair*'s one of my favourites! It can be hard for a woman to admit she's into porn, but it adds so much to my sex life that I'd recommend mags to any woman!

> *Her **clit** was **swollen** and she looked **really horny***

Do you use, or have you ever used adult magazines to enhance your sex life?

I use them all the time – I'm a real porn fiend! The only problem is that my husband really dislikes porn, so I have to enjoy them all by myself. Knowing he can't stand mags makes reading them feel even more wicked.

How did you get into reading mags like ours?

It started when I was 18 and I moved into a grotty student house. I found a mag the previous tenants had left there. I flicked through out of curiosity and I suppose it was the first time I'd ever had a proper look at another woman's pussy.

One girl had the most beautiful shaved slit – all pink and moist with perfect little labia. Her clit was swollen and she looked really horny – and so was I soon enough! Seeing another woman wet and ready for sex, or even better, one who looks like she's just had a good shafting – that puffy and slightly open pussy is enough to get my juices flowing. I put myself in the girl's position – literally – then visualise myself all wet and ready to take a big cock.

> *You can **see her twat stretched** really **tight** around his **prick***

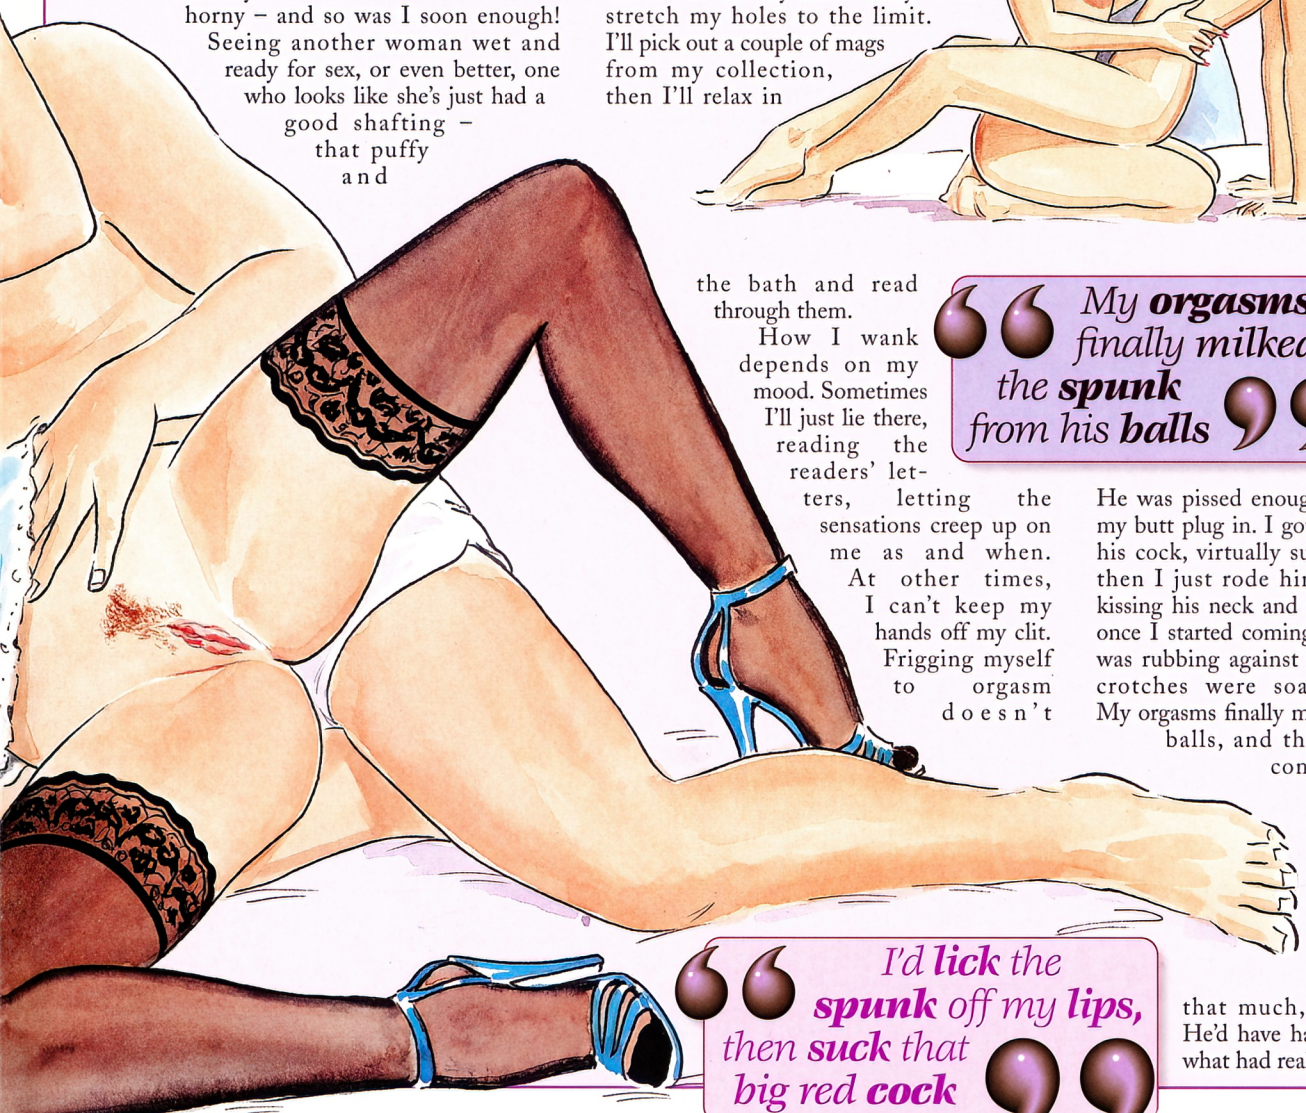
I also love reading the letters page too. If I'm honest, my husband is a bit of a prude, so I love to read about things I fantasise about to get an idea of how something really feels.

Give us an example.

Anal sex is the obvious one. I've always fantasised about taking a length up the bum, but my husband won't even finger me there. The next best thing is reading a real woman's description of her man rubbing pussy juices into her arsehole, then spreading her arse cheeks and fucking her slow and deep up the bum. I've actually come just from reading that kind of thing.

How do you use mags to turn yourself on?

I usually indulge when I've got the house to myself. I'll run a bath and often I'll use my sex toys. I've got two soft 'jelly' type plugs, one for my bum and an even fatter one for my cunt. They both stretch my holes to the limit. I'll pick out a couple of mags from my collection, then I'll relax in the bath and read through them.

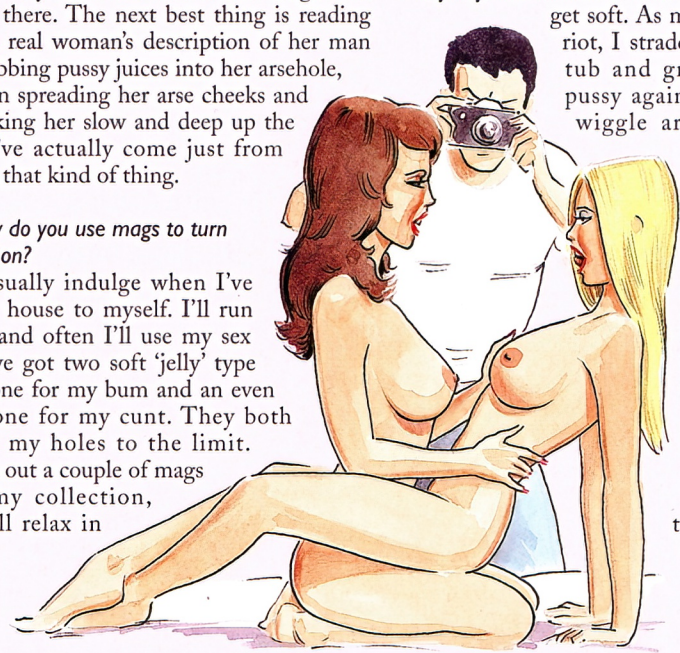


How I wank depends on my mood. Sometimes I'll just lie there, reading the readers' letters, letting the sensations creep up on me as and when. At other times, I can't keep my hands off my clit. Frigging myself to orgasm doesn't take long when I've got my toys up me.

> *My **orgasms** finally milked the **spunk** from his **balls***

My favourite image is from a hardcore mag of mine. There's a photo of one woman and two men. One's fucking her from behind – he's got a massive prick, and you can see her twat stretched really tight around it and he's also got three fingers down to the knuckle inside her arse. She's looking back over her shoulder and she's covered in come, and just to one side of her you can see the still-hard cock it's been shot from.

I can't get enough of looking at that picture. I imagine myself in her position – the feel of the cock thrusting in and out of my pussy and rubbing up against the fingers up my arse. My twat would feel so tight and wet around that big prick. I'd lick the spunk off my lips, then suck that big red cock, feeling the guy wince because it's so sensitive, but carrying on anyway. He wouldn't even have the chance to get soft. As my imagination runs riot, I straddle the edge of the tub and grind my arse and pussy against it so the plugs wiggle around inside me. I've come so hard doing that I've almost passed out.



Have you ever used mags within the context of a relationship?

Sadly, I've never met a bloke who was into them. Still, I suppose you could say that mags have improved our sex life in a less direct way. I get so turned on when I wank off over my favourite mags that, even if I think I've come as much as I can, I'm all over my husband the second he gets in.

The other week he got home earlier than I'd expected. He was pissed enough not to notice I'd kept my butt plug in. I got him hard and straddled his cock, virtually sucking it into my pussy, then I just rode him like a maniac! I was kissing his neck and pinching his nipples and once I started coming I couldn't stop. My clit was rubbing against his pubes, and both our crotches were soaked with my juices. My orgasms finally milked the spunk from his balls, and they must have emptied completely going by how much ran out of me.

> *I'd **lick** the **spunk** off my **lips**, then **suck** that big red **cock***

Normally, he'd just turn over, but this time he grabbed me and said he couldn't remember the last time we'd had a fuck that good. "Missed me that much, have you?" he asked. He'd have had a fit if he'd found out what had really turned me on!

> I lapped and slurped up all the pussy juices and spunk

Do you use adult magazines to enhance your sex life?

My fiancé Carl usually buys a couple a month and I usually end up having a look through them, sometimes with him and sometimes on my own. Other than that I'm not really bothered. However, I do have a very sexy mag-related story to share!

Describe what happened.

My man's a mechanic and all the lads in the garage where he works have adopted a particular girl – I'll call her Melanie – as a pin-up. One Saturday we were shopping in London, and we recognised this girl in the street. She seemed really pleased to learn she had such avid fans and agreed to join us both for a drink.

She was a short, curvy, blue-eyed blonde, a bit on the tarty side but really sweet with it, and very touchy-feely. She flirted with Carl, who lapped it up, and I sort of fell for her too. We bought a disposable camera, to get a few shots of her and Carl to show off to his workmates, and when I told them to kiss they sort of melted into a snog. I gave her a look and she blushed then I said, "Give me one and I'll forgive you."

I'd only said it because I knew the effect it would have on Carl. But when she wiggled her tongue against mine I grabbed her plump arse and pulled her against me.

> She loved having her nipples played with

Did things go any further?

Yes, much further. We ended up getting a hotel room together and Melanie and I got on the bed as Carl shut the door behind us.

He just walked around like a zombie at first – a zombie with a massive great hard-on – trying to take it all in. Then, when I popped one of Melanie's fat little tits out of her top and sucked on it, he asked if he could undress Melanie – a pleasure I didn't have the heart to deprive him of!

He stripped her down to her white G-string, then got on his knees and pulled it down with his teeth. He kissed her all over her mound, and I knew she was in for a treat. Carl gives the best head I've had in my life. I saw him sink a couple of fingers into her twat, then press her clitoris forward with his thumb. As he sucked on her nub he rubbed the rest of it against her pubic bone, and she whimpered.

When I'd got myself naked, I got in behind her, squashing and rubbing my tits against her back as I cupped and caressed hers. She obviously loved having her nipples played with, and between us, Carl and I brought her to two or three orgasms. When Carl withdrew his hand, it was soaked to the wrist with her come juices, and she and I tangled tongues again as we licked it clean.

Describe what happened next.

Carl stood over Melanie on the bed wanking himself. My pussy was aching for some attention, but Carl was obviously intent on fucking her. "Okay, but you owe me big-time," I joked.

He spread her thighs really wide apart, then knelt in between them. Then he spent ages playing with her pussy, doubtless thinking how it looked in the poster on the door of his garage locker. He took in how it looked with his cock pressed up against it, and he watched as he pushed inside her. He fucked her long and slow, trying to string it out for as long as possible, as he took in the rest of her, her curves, her tits and her face. He played with her clitoris, then when she flushed and moaned in orgasm, he slammed his prick in and out really fast. At first I thought it was for show, something to tell the lads, but sometimes he really can't hold back!

Watching them fuck was really turning me on. My pussy was throbbing in sympathy with Melanie's as Carl slammed in and out, and as I watched him pull his big cock out it tightened, like it does when I'm being fucked. When he came inside her I very nearly hit the roof (with pleasure, I'll add!). My cunt clenched tight around my fingers and I orgasmed too.

Did you get to join in the fun or did you just watch it?

I snuggled up to Melanie and we kissed again. Her hand slipped between my thighs and when she felt how wet I was she got me to sit on her face. I licked her out too – the first time I'd ever gone down on another woman – but by the time I'd lapped and slurped up all the pussy juices and spunk, I sort of knew what I was doing!

Was this a one-off encounter, or was the situation ongoing?

It was a one-off. Melanie lives in another part of the country, and said her fiancé gets a bit jealous, so we decided to leave it at that. We still follow her career, though, and if she's reading this mag we'd like to say thanks, Mel!

> I saw him sink a couple of fingers into her twat

> My cunt clenched tight around my fingers

We go on a Quest every month and we can't do it without the help of our female readers (yes, we do have them) who are willing to tell all about their sex lives. Each month we select a specific sex-related topic and then invite suitable female candidates to reveal all about their particular experience. If you would like the chance to be one of our Quest girls (again, no men allowed) all you have to do is fill in the box opposite and we'll get in touch when covering a subject relative to your experience. Do you use adult mags to enhance your sex life?

Yes, several aspects of them. My boyfriend Dave and I have always enjoyed reading them and about a year ago he finally talked me into posing for some naked pictures. He liked them so much he begged me to let him send them into a mag.

I got a real thrill out of seeing them published and reading the horny things the editor had written about me, about how blokes countrywide would be joining him in wanking themselves off over me.

Did you take things any further?

I couldn't wait to strip off for Dave's camera again and he sent some more pictures into another mag who printed them. We also shot some outdoor pictures by a river and wrote a confession about how Dave had shagged me before and after they were taken. Unfortunately, the close-up of my pussy, stretched wide by Dave's big prick and full of his spunk was far too rude to print, but we sent it in anyway!

I never realised what a little exhibitionist I am until I started posing for Dave, and though I'll never get bored of doing that, I liked the idea of showing my body off to other men. That's why I've advertised as a private model in a contact mag.

Describe what that entails.

Basically, we link up with photographers – amateurs or anyone who wants to get a glamour portfolio together. Though I'd love to do it for a living, I often pose for free, just for the hell of it! I'm also happy for them to submit their pictures of me to magazines – as I said, I love to see myself in print!

What is the most outrageous thing you've ever done?

A session for a bloke called George, who was obviously very well-off – he had a huge studio attached to his house and some very expensive camera equipment. He said I only had to go as far as I wanted to, which I took as a challenge. Dave usually goes along with me to make sure I'm okay and because watching me pose gets him hard. Anyway, George wanted me to dress up in rubber gear so I put on the most fantastic black rubber catsuit, cut away to expose my tits, cunt and arse. He even had a professional makeup artist to do my face. When I emerged, Dave's eyes nearly popped out of his head. He also told me he'd agreed to pose as well.

> "Dave pulled out and **spunked** up my **crack**"

Describe what happened

George, the photographer, explained that he wanted to photograph Dave dominating me and Dave really got into the character! George wanted to start with me sucking Dave's cock and I eagerly agreed. As I took it right down my throat, he rubbed his balls against my chin. George seemed happy to let us take our time, and snapped away as I sucked. My favourite shot from that part is when I used my tongue to push Dave's cock against my cheek.

> "**Spunk** arced through the **air** and **into** my **mouth**"

As Dave got closer and closer to coming, I concentrated on sucking his cock, letting it slide out so I could lick the tip. When I tasted the first drops of his pre-come, I let it slip out, then I wanked it. There's a fabulous shot of my hand moving so fast it's a blur, followed by a few rapid fire frames of Dave's spunk arcing through the air and into my mouth. I let it run down my chin for effect, then kissed Dave's tip and pulled away, leaving his cock connected to my lips with a thin, sticky string of spunk. I smiled and let it dribble out.

> "I **sucked** his **cock**, letting it **slide** out so I could **lick** the **tip**"

What else did you do?

George told me he'd picked me for, as he put it, my luscious arse. Although it's firm it's fleshy, and the catsuit really emphasised this. I lay across Dave's lap, with my arse stuck up in the air and my bared tits swinging down. Dave took hold of a plastic dildo on the set – George wanted a shot of my arse with a dildo stuck up it. I squirmed as he splayed my bum cheeks and pushed the dildo, easing it slowly into my arsehole. Taking it was harder than taking Dave's cock, but suddenly I had six inches of it inside me. It seemed to intensify every sensation I felt in my pussy, and I nearly wriggled myself off Dave's lap when he touched my clit.

"Okay, now fuck her..." George murmured, stroking his crotch through his leather trousers. For once, he wanted me on top, so he could get some shots of my arse cheeks spreading as I bucked around on Dave's prick. I was so aroused by everything I came within less than a minute, but George didn't stop shooting until Dave had shot, pulling out and spunking up my crack. They're some of the horniest pictures I've seen in my life, even if the dildo does look a bit weird sticking out of my arse, but it's certainly a turn-on. We don't know if he got them published, or if he just kept them for his own use.

WASH AND GOER

Okay, so the idea of housewives humping against a washing machine on the spin cycle might be as corny as you can get, but I bet a lot of women have tried it. My wife Emma has certainly used one to give her a buzz!

It began when I told her I'd be away at a conference for a week, and I joked she'd have to sit on the washing machine for her sexual kicks.

> "She had a very pink slit and an engorged clitoris"

She said she'd give it a try there and then in front of me.

I stuck the machine on and while waiting for the spin to kick in, I used my cock to open up her twat and make her slippery with spunk. I spread her legs really wide and fed it into her, fingering around her tightly stretched lips and giving her clit a rub.

Then the machine hit 'spin'. I helped her up onto it, and she knelt, her legs splayed wide like when she rides my prick, with my fingers still up her. She immediately moaned and gasped. I pulled her tits out of her top, and spent a happy couple of seconds watching them jiggle about as she sat on the machine. Then I sucked on her nipples and frigged her clitoris, bringing her to one of the most intense orgasms she says she's ever had.

Even more incredible, for me at least, was the next time we tried it, and she wanked me off. Virtually all she had to do was hold my shaft in one hand and cup my balls in the other, and let the vibrations do the rest. It was sexy but also very funny as she jerked me off like that, and within minutes I was spraying a blast of thick white spunk all over her tits. I followed by encouraging her to climb off the machine so I could fuck her properly, and without a loud whirring noise in the background! When I got back from the conference I don't think there was one item of dirty laundry in the house, apart perhaps from Emma's knickers. I brought her back a proper vibrator as a present – the machine might break down while I'm away next time, and I hate to think what she'd get up to with any bloke who came to fix it!

And let's guess, when *she*'s away you crack the old vacuum cleaner out of the cupboard, don't ya?

HIGHLY RECOMMENDED

I'LL GET STRAIGHT TO THE POINT. MY BOYFRIEND IS BISEXUAL. HE'S NOT GAY, HE JUST LIKES TO GIVE BLOW-JOBS. WE HAVE A VERY ACTIVE SEX LIFE AND HE LIKES ME TO FUCK AS MANY MEN AS I PLEASE AS LONG AS HE CAN JOIN IN. — MEN TELL ME THAT MY BOYFRIEND'S BLOWJOBS ARE THE BEST THEY'VE EVER HAD. SO IF YOU LIKE THE IDEA OF HAVING YOUR COCK SUCKED BY A MAN WHILE YOU SQUEEZE MY TITS AND LICK MY PUSSY THEN GIVE US A CALL. OR IF YOU JUST WANT TO FUCK ME AND LET HIM WATCH, THAT'S FINE TOO. (JUST LET HIM LICK YOU CLEAN AFTER YOU'VE EMPTIED YOURSELF INSIDE ME.

BISEXUAL, MAYBE?
My girlfriend's away & I'm horny. Let me tell you about how I'd like to fuck you. (You can look at nude pics of my girlfriend while I suck your cock!)
